

FIELD DAY 2011 Important Parent Information

Date: Thursday, May 26

Morning Session: Grades K,2,4 9:15-11:45 a.m.

Afternoon Session: Grades 1,3,5 12:45-3:15 p.m.

All pre-assigned volunteers will be given a special identification badge upon check-in at the outdoor tables at a location to be determined.

If you were unable to volunteer and would like to be a spectator of your child's event---you will need to check in at the outdoor table at a location to be determined and receive a special Field Day spectator bracelet and proceed to our roped off spectator area located in the back of our building.

Please note: (Only pre-assigned volunteers will be allowed to be on the field to assist in their game assignments. This will allow our students more space to fully participate in their activities.)

Due to this day being an extra busy day for our building, our cafeteria staff will only accommodate lunches for our staff and students. They are not able to accommodate volunteer, spectator and other parent orders on our Field Day.

If we happen to have an inclement weather day on Field Day- we will only be able to accommodate our pre-assigned volunteers inside our building. We unfortunately do not have the interior space to accommodate spectators.
